Dear Sri George Muricken,

**Sub: CFI Pope John Paul II Innovative Renewable Energy Promotion  
Excellence Award 2020**

Fraternal Greetings from the Catholic Federation of India (CFI).

The Catholic Federation of India is a voluntary organization of the faithful of the Catholic Church. The CFI has over the years established itself as an organization of eminent laymen, committed to the growth and wellbeing of the Church and works in coordination with the Church as well as the community in general. This is with a view to promoting moral and upright values. The Federation moreover involves itself in charitable, social and humanitarian endeavors that benefit society as well as strives to foster inter-religious harmony, unity and ecumenism in diverse ways.

For the past many years, even before he was elevated as a Saint, the Catholic Federation of India has been annually granting awards in the name of Pope John Paul II. The Awards are given annually to eminent persons rendering outstanding and exemplary service in diverse fields of activity such as education, culture, health, public administration, charity and social work.

**We are moreover happy to inform that the CFI has decided to confer the 2020 'Renewable Energy Promotion Excellence Award' on you. This is particularly in recognition of your outstanding efforts in promoting environment-friendly solar energy products. Our hearty congratulations!**

The award will be presented at the 15<sup>th</sup> edition of the CFI Pope John Paul II Annual Excellence Awards Ceremony on Tuesday, January 11, 2022 @ 10: 30 a.m., at the Mammen Mappilai Hall, Kottayam. The Hon'ble Governor of Goa, Sri. P.S. Sreedharan Pillai, will present the awards to the selected achievers in various spheres, acknowledging the outstanding contributions that they have made in their respective fields of activity. Honourable Ministers V.N. Vasavan, Antony Raju and Roshy Augustine will also be participating in this event.

Looking forward to your accepting this award and with best wishes,

Yours truly,
